

Department of Tourism**Notification**

3/(5298)-2026/DT/6849

Date : 09-Mar-2026

Government of Goa is hereby pleased to notify the “Goa Wellness, Ayurveda and Yoga Policy, 2026” to establish a comprehensive regulatory and accreditation framework governing the establishment, operation, and recognition of Wellness, Ayurveda, and Yoga Centres within the State of Goa.

1. Short title and commencement.—

- 1.1 The notification shall be called “Goa Wellness, Ayurveda and Yoga Policy, 2026”.
- 1.2 The notification shall come into force from the date of its publication in the Official Gazette.

2. Introduction.—

- 2.1 Goa has traditionally been recognised for its coastal and leisure tourism offerings. In recent years, the State has undertaken a strategic shift to reposition itself as a safe, responsible, regenerative, and diversified tourism destination, offering high-value, year-round experiences while enhancing local ecosystems, communities, and cultural heritage.
- 2.2 In this context, wellness tourism has been identified as a priority tourism product under the Goa Tourism Master Plan and allied policy frameworks. The sector aligns closely with regenerative tourism principles, emphasising sustainability, visitor safety, quality assurance, community participation, and long-term destination resilience.
- 2.3 The State envisions a structured wellness tourism ecosystem integrating preventive healthcare, traditional systems of medicine, holistic therapies, lifestyle wellness, and nature-based experiences, while supporting local livelihoods and promoting balanced development of hinterland and rural areas.
- 2.4 The establishment, regulation, and recognition of quality Wellness, Ayurveda and Yoga Centres (hereinafter referred as Wellness Facility) is a key enabler for the responsible growth of wellness tourism in Goa.
- 2.5 Accordingly, the “Goa Wellness, Ayurveda and Yoga Policy 2026” is proposed as a comprehensive framework for the systematic organisation, regulation, accreditation, and development of the wellness ecosystem in the State.

3. Objectives of the Policy.—

The Goa Wellness, Ayurveda and Yoga Policy, 2026 seeks to achieve the following objectives:

- To position Goa as a leading national and internationally recognised destination for Wellness, Ayurveda, and Yoga, offering credible, high-quality, and globally benchmarked wellness experiences.
- To establish a comprehensive regulatory and accreditation framework governing the establishment, operation, and recognition of Wellness, Ayurveda, and Yoga Centres within the State.
- To ensure safety, authenticity, service quality, and ethical practices across wellness offerings, thereby safeguarding the interests of visitors, practitioners, and service providers.
- To identify, regulate, and deter unauthorised, unregistered, or non-compliant centres, in order to protect the reputation of the State and maintain visitor confidence in Goa’s wellness ecosystem.
- To promote employment generation, skill development, professional certification, and entrepreneurship in the wellness, holistic health, and allied sectors, with emphasis on local participation and capacity building.

- To facilitate the integration of Wellness, Ayurveda, and Yoga tourism within the broader Goa Tourism Master Plan, ensuring alignment with principles of sustainability, responsible tourism, and regenerative development.
- To enable institutional coordination and alignment with national frameworks, including those of the Ministry of AYUSH, Government of India, for adoption of recognised standards, traditional knowledge systems, and best practices.

4. *Scope and Applicability.*—

3.1 **Applicability of the Policy**

- 3.1.1 This Policy shall apply to all Wellness, Ayurveda, and Yoga Centres operating or proposed to be established within the territorial jurisdiction of the State of Goa, whether operating on a standalone basis or as part of hotels, resorts, retreats, or integrated tourism facilities.
- 3.1.2 The Policy shall govern the registration, accreditation, quality labelling, operational standards, and monitoring mechanisms for such Centres, as notified by the Department of Tourism, Government of Goa, from time to time.
- 3.1.3 Accreditation under this Policy shall be voluntary unless otherwise notified, however, Centres seeking recognition, promotion, or inclusion under official Goa Tourism initiatives, platforms, or branding exercises shall be required to comply with the provisions of this Policy and obtain the prescribed Quality Label.
- 3.1.4 The provisions of this Policy shall be applicable to both existing Centres and new establishments, subject to transitional arrangements, timelines, and compliance requirements as may be specified by the Government.

3.2 **Categories of Wellness, Ayurveda and Yoga Centres Covered**

3.2.1 For the purposes of this Policy, the following categories of Centres shall be covered:

- Ayurveda Centres offering preventive, therapeutic, or rejuvenation services, including Panchakarma and allied therapies, in accordance with recognised systems under the Ministry of AYUSH, Government of India.
- Yoga and Meditation Centres, including yoga schools, retreats, and studios, offering structured yoga practices, meditation, mindfulness, and lifestyle wellness programmes.
- Wellness and Holistic Health Centres, providing non-clinical wellness services such as spa therapies, naturopathy-based wellness programmes, lifestyle management, stress reduction, and integrative wellness offerings.
- Integrated Wellness Resorts and Retreats, including hotels and resorts offering dedicated wellness, Ayurveda, or yoga programmes as a core or significant component of their tourism offering.
- Nature-based and Regenerative Wellness Facilities, including eco-retreats and rural or hinterland Wellness Facilities, where wellness offerings are integrated with nature, local culture, and environmentally responsible practices.
- Exclusions
 - This Policy shall not be applicable to non-AYUSH facilities or medical establishments governed under separate health regulations, except in cases where such establishments operate clearly demarcated Wellness, Ayurveda, or Yoga facilities specifically intended for tourism or lifestyle wellness purposes, and which are compliant with the provisions of this Policy.
 - Beauty salons, cosmetic clinics, fitness gyms, or physiotherapy centres not offering structured wellness, Ayurveda, or yoga programmes shall not be covered under this Policy unless specifically notified.

- Religious or spiritual institutions offering yoga or meditation activities solely as part of religious practice and not as commercial wellness services shall be excluded from the scope of this Policy.
- Centres operating exclusively for personal, non-commercial, or informal practice shall not be required to seek accreditation under this Policy.

4. Focus Areas of the Policy.—

4.1 Accreditation and Licensing Framework

- i. The Policy shall provide for a structured, transparent, and tiered accreditation and licensing framework for Wellness, Ayurveda, and Yoga Centres operating in Goa.
- ii. The Policy shall prescribe minimum eligibility criteria, infrastructure requirements, professional qualifications, service standards, and documentation norms for accreditation.
- iii. The Policy shall ensure alignment of the accreditation framework with applicable national guidelines, including those issued by the Ministry of AYUSH, Government of India, wherever relevant.
- iv. The Policy shall provide for periodic renewal, upgradation, suspension, or withdrawal of accreditation based on compliance and performance.

4.2 Code of Conduct and Operational Standards

- i. The Policy shall prescribe a mandatory Code of Conduct governing ethical practices, professional behaviour, transparency in service delivery, and protection of consumer interests.
- ii. The Policy shall prescribe minimum operational standards relating to safety, hygiene, staffing, treatment protocols, use of authentic therapies, and informed consent.
- iii. The Policy shall ensure that accredited centres adhere to environmentally responsible and resource-efficient practices consistent with regenerative tourism principles.
- iv. The Policy shall require compliance with all applicable laws, rules, and regulations of the State and Central Governments.

4.3 Promotion and Branding of Goa as a Wellness Destination

- i. The Policy shall promote Goa as a credible, high-quality, and globally competitive destination for Wellness, Ayurveda, and Yoga tourism.
- ii. The Policy shall facilitate the integration of accredited Wellness Facilities into official tourism promotion, marketing, and communication initiatives of the Department of Tourism.
- iii. The Policy shall promote authentic, culturally rooted, and nature-based wellness experiences that reflect Goa's heritage and regenerative tourism vision.
- iv. The Policy shall ensure that only accredited centres are represented under official branding and promotional platforms.

4.4 Capacity Building and Training

- i. The Policy shall promote capacity building, skill development, and professional training in the wellness and holistic health sector.
- ii. The Policy shall facilitate collaboration with recognised institutions, training bodies, and sectoral experts, including those under the Ministry of AYUSH, for curriculum development and certification.
- iii. The Policy shall promote employment generation, entrepreneurship, and local participation, particularly in rural and hinterland areas.
- iv. The Policy shall encourage continuous professional development and upskilling of practitioners and service providers.

4.5 Monitoring and Enforcement Mechanism

- i. The Policy shall provide for the constitution and functioning of a designated Committee for oversight, monitoring, and enforcement of the accreditation framework.
- ii. The Policy shall ensure periodic inspections, assessments, and compliance reviews of accredited centres.
- iii. The Policy shall provide for corrective actions, including advisories, suspension, or cancellation of accreditation in cases of non-compliance.
- iv. The Policy shall ensure transparency, consistency, and due process in monitoring and enforcement actions.

4.6 Integration with Tourism Infrastructure and Planning

- i. The Policy shall facilitate integration of wellness tourism development with the broader tourism infrastructure and planning framework of the State.
- ii. The Policy shall promote decentralised and balanced growth of wellness tourism beyond coastal areas, particularly in hinterland and rural regions.
- iii. The Policy shall ensure coherence with the Goa Tourism Master Plan and other relevant State tourism and development policies.
- iv. The Policy shall promote environmentally sensitive development aligned with sustainability and regenerative tourism objectives.

5. Institutional Framework and Governance Structure.—

5.1 The Department of Tourism, Government of Goa, shall be the Nodal Agency for the implementation, coordination, monitoring, and periodic review of the Goa Wellness, Ayurveda and Yoga Policy, 2026.

5.2 The Department shall be responsible for:

- i. Issuing policy guidelines, operational directives, and notifications necessary for effective implementation of the Policy;
- ii. Hosting and maintaining the official digital platform for registration, accreditation, and public disclosure of accredited Wellness Facilities;
- iii. Coordinating promotional and branding initiatives for accredited centres in alignment with the State's tourism strategy;
- iv. Facilitating convergence of the Policy with the Goa Tourism Master Plan and allied tourism development initiatives.

5.3 Goa Wellness, Ayurveda and Yoga Committee – Constitution and Powers

- i. The Government of Goa shall constitute a “Goa Wellness, Ayurveda and Yoga Committee” (hereinafter referred to as “the Committee”) for the purpose of policy oversight, accreditation, and quality assurance.
- ii. The composition of the Committee shall be notified separately by the Government and may include representatives from:
 - Department of Tourism;
 - Department of Health;
 - Members from Goa Council of Ayurvedic and other allied Indian System of Medicine (Government of Goa undertaking);
 - Department of AYUSH or recognised AYUSH institutions;
 - Experts in Ayurveda, Yoga, wellness, wellness tourism and holistic health;
 - Such other departments or experts as deemed necessary.

iii. The Committee shall be empowered to:

- Approve and periodically update accreditation criteria, quality labels, and assessment parameters;
- Examine inspection and assessment reports submitted by designated Inspection Committees;
- Grant, renew, upgrade, suspend, or withdraw accreditation and quality labels;
- Issue advisories and clarifications relating to operational standards and compliance;
- Recommend policy refinements and capacity-building measures to the Government.
- Advise the Department of Tourism on promotion, branding, and market positioning of accredited Wellness facilities and Goa's wellness tourism offerings, in alignment with the State's tourism strategy and focus areas under this Policy;
- Facilitate alignment of accredited Wellness facilities with responsible and regenerative tourism principles, including sustainability practices, community engagement, and culturally authentic wellness offerings;
- Perform such other functions as may be necessary for the effective implementation of this Policy and for advancing its focus areas, as may be assigned by the Government from time to time.

iv. Role of Inspection and Assessment Committees

- The Department of Tourism shall constitute Inspection and Assessment Committees/Task Forces as required for conducting physical verification and evaluation of Wellness Facilities.
- The Inspection and Assessment Committees shall be responsible for:
Conducting site inspections in accordance with prescribed accreditation criteria and checklists;
 - Verifying infrastructure, staffing, treatment protocols, safety and hygiene practices, and sustainability measures;
 - Assessing compliance levels and recommending appropriate accreditation categories;
 - Submitting detailed inspection reports, including observations and scoring, to the Committee within prescribed timelines.

6. *Review and Recalibration.*—

6.1 The implementation of this Policy shall be subject to periodic review, to assess its effectiveness, relevance, and alignment with the objectives of the Goa Tourism Master Plan, regenerative tourism principles, and evolving sectoral requirements. Based on such review, the Department of Tourism, Government of Goa may recommend revisions to the policy framework, accreditation criteria, operational guidelines, or implementation mechanisms, as deemed necessary and in accordance with applicable procedures.

7. *Interpretation of the Provisions of the Policy.*—

7.1 In the event of any question or doubt arising with regard to the interpretation of any clause, term, word, or expression contained in this notification, the matter shall be referred to the Government. The decision of the Government in such matters shall be final and binding on all parties concerned.

8. *Redressal of Grievance and Dispute.*—

8.1 Any grievance, representation, or issue arising out of the interpretation or implementation of this Policy shall be referred to the Secretary (Tourism), Government of Goa, whose decision thereon shall be final, subject to applicable laws and procedures.

By order and in the name of the Governor of Goa.

Kedar A. Naik, Director of Tourism & ex officio Addl. Secretary.

Panaji.

Accreditation Framework & Process of Issuance of Wellness Quality Label

1. In accordance with the Institutional Framework set out under this Policy, the Goa Wellness, Ayurveda and Yoga Committee shall be constituted as the apex body for overseeing the accreditation and quality labelling of Wellness Facilities in the State. The Committee shall be responsible for approving, periodically reviewing, and updating the accreditation framework, quality labels, and assessment parameters applicable to Wellness Facilities. For this purpose, the Committee may undertake structured stakeholder consultations with subject-matter experts, industry representatives, academic institutions, and allied agencies, as considered appropriate.
2. The Department of Tourism, Government of Goa shall facilitate the operationalisation of the accreditation process through designated Inspection and Assessment Committees / Task Forces, which shall conduct assessments of applicant Wellness Facilities at periodic intervals, including quarterly assessment cycles as may be notified. Such Committees shall evaluate compliance with the prescribed accreditation criteria and submit their inspection reports, scoring, and recommendations to the Goa Wellness, Ayurveda and Yoga Committee for examination and approval.
3. The accreditation framework under the Goa Wellness Quality Label System shall classify requirements into Mandatory, Basic, and Advanced categories, reflecting progressive levels of compliance and service quality. Based on the level of compliance achieved, Wellness Facilities shall be awarded tiered Wellness Quality Labels, as notified by the Committee. The detailed accreditation criteria, assessment methodology, and labelling structure is specified in Annexure I and updated from time to time in accordance with this Policy.
 - i. One Leaf Label – Awarded to Wellness Facilities that comply with the Mandatory Criteria.
 - ii. Two Leaves Label – Awarded to Wellness Facilities that comply with the Mandatory and Basic Criteria.
 - iii. Three Leaves Label – Awarded to Wellness Facilities that comply with the Mandatory, Basic, and Advanced Criteria.

4. Application Procedure.—

- 4.1 The Goa Wellness Quality Label Accreditation Framework, along with the prescribed application forms and detailed accreditation criteria, shall be hosted on the official website of the Department of Tourism, Government of Goa (www.goatourism.gov.in), as detailed in Annexure II. Applicants may refer to the portal for comprehensive information regarding eligibility, standards, and the accreditation process.
- 4.2 Applications for accreditation shall be submitted online through the designated web portal, accompanied by all required self-certified supporting documents, in the manner and format prescribed by the Department of Tourism.
- 4.3 Applicants shall ensure that all information provided in the application is complete, accurate, verifiable, and accompanied by the mandatory enclosures as per the prescribed criteria.
- 4.4 Applications received up to the notified quarterly cut-off date shall be considered for processing during the corresponding assessment cycle.
- 4.5 All applications shall undergo preliminary scrutiny and shortlisting by the Department of Tourism, based on completeness, eligibility, and conformity with the prescribed documentation and criteria.
- 4.6 Shortlisted Wellness Facilities shall be subjected to a site visit and assessment by a designated Inspection Sub-Committee/Task Force, in accordance with the parameters and scoring criteria specified in Annexure-I.

- 4.7 The Inspection Sub-Committee/Task Force shall prepare a detailed assessment report, including scoring, compliance status, and the recommended level of accreditation, which shall be placed before the Goa Wellness, Ayurveda and Yoga Committee for consideration and approval.
- 4.8 The Goa Wellness, Ayurveda and Yoga Committee shall act as the apex governing body responsible for the oversight, development, issuance, and monitoring of quality standards across accredited Wellness Facilities. Upon approval, the Committee shall issue the appropriate Wellness Quality Labels (One Leaf, Two Leaves, or Three Leaves).
- 4.9 The final list of accredited Wellness Facilities, including those awarded higher-tier or eco/regenerative-oriented labels, shall be publicly disclosed and hosted on the official Goa Tourism website, serving as an authentic reference for domestic and international visitors seeking credible wellness experiences.
- 4.10 Accredited Wellness Facilities shall be promoted through official Goa Tourism communication channels, including digital platforms, destination marketing campaigns, and other initiatives aligned with the State's wellness tourism strategy.
- 4.11 The Goa Wellness, Ayurveda and Yoga Committee shall conduct periodic and surprise inspections to ensure ongoing compliance with prescribed standards and operational guidelines.
- 4.12 The Committee shall reserve the authority to suspend, downgrade, or withdraw accreditation in cases of non-compliance or deviation from approved standards. Centres whose accreditation is suspended or withdrawn shall be eligible to reapply upon rectification of deficiencies and fulfillment of the prescribed norms.

5. *Wellness Quality Label Framework.*—

- 5.1 The Wellness Quality Label aims to establish a uniform, transparent, and credible quality assurance mechanism for Wellness Facilities across Goa. The framework defines a recognised set of service, operational, safety, and sustainability standards that Wellness Facilities must comply with in order to obtain and retain accreditation.
- 5.2 The accreditation framework is structured across eight core assessment areas, as outlined below:
 1. General Administration
 2. Basic Amenities
 3. Staff Qualifications and Professional Standards
 4. Safety and Hygiene
 5. Customer Information and Transparency
 6. Treatment Protocols and Therapeutic Services
 7. Customer Comfort and Facility Design
 8. Sustainability and Responsible/Regenerative Tourism Practices

The details are as follows:

1. **General Administration.**—

This category relates to the governance and management of the Wellness Facility. It covers organisational structure, minimum staffing requirements, defined roles and responsibilities, and operational oversight. Minimum qualification levels and competency requirements for key personnel shall be prescribed by the Goa Wellness Label Committee, ensuring professional and accountable management of wellness operations.

2. **Basic Amenities.**—

Basic Amenities refer to the essential facilities and services that guests can reasonably expect at a Wellness Facility. These amenities shall be readily available, properly maintained, and provided without additional charge, ensuring a consistent baseline experience for all visitors.

3. Staff Qualifications and Professional Standards.—

This category ensures that wellness services are delivered by appropriately trained, qualified, and competent personnel. All treatments and therapies shall be administered in accordance with defined protocols and ethical standards, thereby ensuring safety, efficacy, and quality of care.

4. Safety and Hygiene (Mandatory Category).—

Safety and hygiene standards are critical to safeguarding the health and wellbeing of both visitors and staff. This category focuses on the identification, prevention, and control of health and safety risks, including workplace hazards and sanitation practices.

In the post-pandemic context, strict adherence to hygiene protocols is mandatory for all Wellness Facilities. Centres shall ensure regular disinfection of high-contact surfaces and maintain adequate stocks of hygiene and cleaning supplies, including hand sanitizers, disinfectants, antibacterial agents, tissue dispensers, and self-closing waste bins.

5. Customer Information and Transparency.—

Wellness Facilities shall provide clear, accurate, and comprehensive information regarding the services, therapies, and treatments offered. Such information shall be made available through both online and on-site channels, enabling visitors to make informed choices prior to and during their visit.

6. Treatment Protocols and Therapeutic Services.—

This category emphasises the quality, consistency, and integrity of treatments and therapies. Wellness Facilities shall establish well-defined procedures outlining the nature, benefits, duration, and contraindications of each treatment. Visitors shall be informed of what to expect, ensuring a safe, holistic, and beneficial wellness experience.

7. Customer Comfort and Facility Design.—

Physical and psychological comfort is integral to effective wellness outcomes. Wellness Facilities shall be designed and operated to provide comfortable, calming, and functional environments, including appropriate acoustics, thermal comfort, lighting, ergonomics, and furnishings that enhance both guest experience and staff performance.

8. Sustainability and Responsible/Regenerative Tourism Practices.—

Sustainability forms a core pillar of the Wellness Quality Label. Wellness Facilities are encouraged to adopt environmentally responsible and regenerative practices that minimise ecological impact and contribute positively to local communities.

Such practices may include energy-efficient lighting and fixtures, water-conservation measures, use of organic and eco-friendly linens and materials, responsible sourcing of furniture and consumables, waste segregation and recycling, and reduction of single-use plastics. Adoption of these measures supports long-term environmental stewardship and aligns wellness tourism with Goa's regenerative tourism vision.

6. Fees for Accreditation.—

To support the implementation and administration of the Goa Wellness Quality Label Accreditation Framework, the following fee structure shall apply for registration, renewal, and upgradation of Wellness Facilities:

Fees for Accreditation of Wellness Centers	
Registration Fees for the first two years from this notification	Rs. Zero /-
Registration Fees after two years of this notification	Rs. 2000/- (Two Thousand Rupees Only)
Renewal Fees	Rs. 2000/- (Two Thousand Rupees Only)
Upgradation Fee (For upgrade to Two/Three Leaves)	Rs. 2000/- (Two Thousand Rupees Only)

7. *Validity & Renewal of Accreditation.*—

The accreditation label allotted would be valid for a period of two years from the date of assigning. Accredited centers would need to apply for fresh certification at least 3 months prior to expiry of certification, by submission of renewal fee & supporting documents for renewal of the same.

ANNEXURE I

Detailed Accreditation Framework

The accreditation criteria are divided into Mandatory, Basic and Advanced based on identified requirements, and allotted following types of labels.

- One Leaf - Centers that fulfil the Mandatory Criteria
- Two Leaves - Centers that fulfil the Mandatory & Basic Criteria

SUBSCRIPTION RATES

Notice

The subscribers to the Official Gazette are kindly reminded that their present subscription term ends on the 31st March, 2026, being the end of financial year.

In case they wish to continue to be subscribers for the ensuing financial year 2026-2027 they have to renew their subscriptions from 1st April, 2026.

Subscriptions also can be opened for half year i.e. from 1st April or 1st October or for any quarter, beginning on 1st April, 1st July, 1st October or 1st January.

Renewal of subscription from 1st April should be effected on or before 31st March, 2026 in order to avoid interruption in the despatch of copies of the Gazette. It should be noted that, in case the subscription is not opened/renewed before the commencement of the period to which it refers, the subscribers will be entitled to receive copies of the Gazette only from the date the subscription is actually opened/renewed.

Official Gazette is now available through e-mail for an annual subscription of Rs. 250/- (Rupees two hundred fifty only).

The subscription charges are accepted either in cash, postal order, demand draft or cheques (subject to clearance) drawn only on State Bank of India, Panaji, in favour of the Director, Printing and Stationery, Panaji-Goa.
